

MELATI BEACH RESORT & SPA

Introducing Moon Deck

Dear Guests,

We take great pleasure in sharing some exciting news. Later this year, Melati Beach Resort & Spa will unveil “Moon Deck”, a stylish new lounge bar and dining outlet set beside our main swimming pool, moments from the sand. Moon Deck will offer a new way to enjoy lunch, sunset dining and handcrafted cocktails, alongside our swim-up bar and main restaurant.

To bring Moon Deck to life, we will be carrying out improvement works beside the main pool. We would like to be fully transparent about the timing and how we are managing it, so that you can plan your stay with confidence.

Timeline

- **13 – 27 October 2026:** Initial works take place. There may be some noise in the main pool area at times.
- **28 October – 30 November 2026:** Works continue at a considerably reduced pace, with minimal noise.

Your Stay

The main swimming pool and all other hotel facilities remain fully open throughout this period. A purpose-built partition between the pool area and the works will screen them from view and further reduce noise and dust. Our restaurant and swim-up bar, on the opposite side of the pool, will operate as normal.

Our Gesture of Appreciation

We recognise that even carefully managed works are not what one hopes for on a beach holiday, and we apologise in advance for any inconvenience. To thank you for your understanding, all in-house guests are welcome to enjoy:

- **A complimentary daily lunch buffet**
- **An additional complimentary shuttle to Chaweng,** departing at 11:00 AM, alongside our existing daily shuttles at 1:00 PM and 4:00 PM. This gives you more flexibility to explore beyond the resort.

We look forward to welcoming you, and we are confident Moon Deck will make your stay at Melati Beach even more memorable. Should you have any questions, please contact us at usmreservation@melatiresort.com.

With warm regards,

Simon Hoekstra
